Obesity Prevention in New Jersey

The State of the State: Important Next Steps

December 11, 2012

Hilton, East Brunswick, NJ

Utilizing a “Systems Perspective” speakers will provide direction on what recommendations, strategies, and actions should be implemented in the short term to accelerate progress in obesity prevention over the next 10 years.

These recommendations will cover five critical areas or environments for change:

1. Physical Activity
2. Food and Beverage
3. Messaging
4. Health Care and Work Areas
5. Schools

WHO SHOULD ATTEND

Health Educators, Teachers, Health Care Providers, School Nurses,
Food Service Providers, PE Teachers, Dietitians and Parents

The State of the State: Important Next Steps has been submitted for continuing education credits/contact hours for Dietitians, Teachers/School Personnel, AAFCS members and Public Health Professionals. *Approval is pending.*
